“ *Jan and Chuck were "regulars" at our Mancino's of Fenton restaurant for years. That's how we got to know them.*

These two always stood out when they came in -- friendly, very happy together and always willing to take a few moments to chat with us as we worked. Recently, Jan had posted regular "trivia quizzes" on Facebook online and I always tried to participate. I didn't get them all right, but she'd send me a message with the correct answer.

Our thoughts and prayers go out to Chuck and your entire family. A little bit of her is in every one of us, and that truth makes me happy, as we say goodbye to our friend, until we meet again.

“ My condolences go to Janet's family. She took care of both of my kids as just babies. She also remembered and recognized them 13 years later. I can remember picking up my kids one day and she was tenderly rocking my son and they were both so content.

“ My deepest condolences to all of the family. Janet & I grew-up in the same neighborhood. Brother Bill went to school with me & I babysat for Bob & Alice. We attended dances at Walled Lake Plaza & went to the Walled Lake amusement Park together. The picture was taken in 1959 at the Walled Lake Amusement Park. I will truly miss her on Facebook. RIP Janet.

So many memories flood my mind I can't pick out a certain one. But one thing is for sure, she was a special person to all who knew her.*
