“ *My mother Stella Stopczy and Jan were great friends throughout the years. Jan and Dan became good friends to me as well. As a child in Orchard Lake I'd ride my bike to visit Jan and we'd have lunch. She seemed to always be interested in my point of view and I admired her for that. My mother and I would visit with Jan and Dan in South Lyon and in Highland. My mother passed in 2010 and Jan was a great support to me, she loved my mother and visited her throughout my mothers illness. I continued to visit with Jan along with my sister Deanna and her husband Richard. Jan was always so elegant and kind. Her outlook on life and things in general always made for a wonderful visit. She'd serve us champagne and OJ along with lynch and made us feel so welcome. I miss my friend and I'll always remember her fondly.*

“ *Jan and Dan were our neighbors when our kids were young. They were good neighbors and lots of fun to be with. Jan used to babysit our daughter Tracy when she was four and five. I've only seen Jan once since Dan died and it was just like old times together. My deepest sympathy to Dan and Kyle and their families. Your mom was a special lady.*

“ *Janet and Dan were great influences in my life. So many good memories with them, helped shape me into the person I am today. Janet introduced me to my first alcoholic drinks, Spanish coffee's and Gin and Tonics by the pool. Thanks Jan, still my favorites today. I think she helped save me as a teenager, gave me confidence and self worth, she treated me with respect and kindness. She taught me elegance and pride in dinner parties and gatherings. She had the knack for decorating, her homes always so comfortable and showed her classy style. I knew I wanted to be like her and have those qualities. She was able to have those deep thought provoking conversations, that left you wanting more. I will forever miss them. Dan's been waiting for her and I am sure they are finally together again for eternity. She was a beautiful lady inside and out! All my love and condolences to her family! Love, Trisha Baldwin*
