“ I had been trying to find you again my friend. My heart broke when I heard. I can still hear your laugh in my mind. You were the kindest most supportive person to a young girl. My thoughts and prayers are with Trent and Russ and their families. Heaven received a beautiful Angel. 🙏

“ We had such a wonderful visit this summer -- 10 years after the last one -- especially being in Port Huron and reliving our childhood! But so many terrific phone calls in between and before and after -- to keep us up to date. I loved hearing about your trips to England! And all the things happening in your life. And seeing all the pictures. I will cherish them always! I will always hear your laugh and see your smile that lights up the room! -- and sometimes we cried together. I will always miss you, dear Cousin and Sister forever. Louise
