“ Dear Susie and Phillip,
I am so sorry to hear of your mother's passing. She was such a very special lady. I knew her from when she worked at Burger King. I never saw her without that beautiful smile. My special friend and I would go in there often just to visit with her for a while. She would always stop by our booth to talk while keeping an eye out because she didn't want to get into any trouble for being idle for too long. And she was such a hard worker. When a customer left, she was always right there to clean off their table to make it ready for the next customer. And to see her mopping that floor, well, I thought that job should have been given to one of the younger employees, but she never complained. And how she loved the Lord and her family! Her eyes would sparkle whenever she spoke of either. I just wanted you to know that I loved your mother. She was just a gift to all of us from God. I wish I had been able to keep in touch with her but after she left Burger King, I asked the manager for her address or phone number and she said she couldn't give out information like that. Just know I have been sitting here tonight typing this through tears of sadness. I will think of her always.
