

## Jason Andrew Dillenbeck

July 3, 1972 - February 20, 2014

Jason Andrew Dillenbeck, age 41, of Davisburg, died Thurs. Feb. 20, 2014. Memorial services will be held at a later date. Memorial donations may be made to Blacksheep Crossing Farm Animal Sanctuary, 12540 N. Kehl Rd., Northport, MI 49670 [www.dryerfuneralhomeholly.com](http://www.dryerfuneralhomeholly.com)

Jason was loved by many people, but none more than his Mother, Father and his two dogs, Hunter and Aaxle. Jason and Hunter were tough competitors in Bird Dog Circuit, NY Bird Dog Series and Wisconsin Bird Dog Series. Hunter won many top prizes with good training by Jason in addition to Jason's "good shot". Aaxle was to be the next top competitor. Jason had started his training from day one. Jason had a good heart, was always ready to lend a helping hand, and made us proud. He will be terribly missed by all.

“ I wish to send my regrets for your loss. In the difficult days ahead I hope you will be able to draw comfort from the fact that not only does our creator understands the pain we suffer, but also that he will soon end all pain and anxiety. At Revelation 21:4 God promises to “wipe out every tear from their eyes, and death will be no more, neither will mourning, nor outcry, nor pain be any more. The former things have passed away.” Until that time, I pray your memories of the past and your confidence in the future will give you the strength and joy to endure.

“ Ill always remember Jason as having a baby face. i remember the times we spent together as a family. You take these things for granted, but how precious life is. Jason will be missed. There will always be a part in our hearts that only time can fill. Please pray for my brother D.D. and sister Cheryle to give them strength to get through this difficult time. You will always be in my heart Jason

“ Nick and I didn't know Jason very well, but we met him last year at Clay Ridge where we were judging a tournament. He was very pleasant and very passionate about shooting! We look forward to sharing memories with your fellow shooters this year, Jason. You will be remembered! Our thoughts and prayers are with your family and friends. Nicole and Nick Griewahn

“ Jason, it's hard to believe that we were just in Wisconsin at Pheasant Fest. Sharing photo's of our kids we have on our phones, discussing their training and how that was coming along and what our future plans were for them and looking forward to serious training come Spring. I was glad to see that you came prepared to Pheasant Fest by bringing a notebook of paper to take notes at the seminars that allowed us to divide and concur. Unfortunately, you and I didn't get a chance to share that information at dinner since there were lots of story's that were being told that night that made us laugh or smile but then that was one of the special things about you - your sense of humor that always put a smile on our face or had us laughing.

To your parents Del and Cheryl - what a wonderful son that you raised and we are very sorry about your loss. He is greatly missed by all who had the pleasure of knowing him. Give Aaxle and Hunter a hug as they are also in our thoughts.

With our deepest sympathy, Lisa and Mark Fineis

“ I will always remember the first Bird Dog Tournament I attended. I met Jason and his Mom and Dad. This event was Jason and my first tournament with our young dogs and we both fell in love with the sport. Since we have attended many events and always shared stories and many laughs. Jason was the kind of person that you would always look forward to seeing and spending time with. One of my fondest memories is the time I spent the weekend on the river with Cheryl, Del, and Jason while at a tournament in Michigan. Cheryl and Del you did a great job raising your son and we will all miss him. You are in my thoughts and prayers. Stay strong and know I will have a smile on my face each and every time I think of Jason. Love always Tom

We immensely enjoyed his company, especially when we were out running our dogs, training dogs, or competing in tournaments together. We also shared a lot of upland bird and deer hunting stories.
