“ *Family,
Stay strong for that is what he would want. Always remember his smile, his laugh, his childish ways. Never forget how he would pick out songs that would remind him of you Diane, how much he made fun of you Ness out of love (have us call us) or all the fun (trouble) you had with him Randy. Never forget what a great uncle he was to your girls Linds or the shed house with the roly polies Mel. He was a soul that touched many people, clearly by the amount of those who showed up yesterday. I am sure there are even more people that he touched in one way or another that were unable to come. Know that one day you will see him again.
love you all
