“*Joan was my oldest sister and one of the finest people I ever knew. She became the mother figure for me when mom died. I loved her deeply and will miss her greatly. She is at peace now and probably in her glory hollering at jack and spending time with dody!*”

“*Aunt Joan was my favorite aunt. She was funny, sincere and so nice to us all the time. I think you missed uncle Jack so much and you tried to stay as long as you could but finally decided to join him. Two lovers together forever. RIP . Sandy, Mike and Chris, cherish the time you had with them. As the days go by it will get easier, your grief will ease. You will think of something about them and it will bring a smile to your face. That is how it is when I think of my parents. My prayers and thoughts are with you during this difficult time.*”

Mike, no one could have done more than you and Sandy did. I know from talking to your mom that you were very important to her and she loved you very much. You must believe that she knew your love for her and never questioned it. Love, aunt karen
