

## JoAnn Conti

March 15, 1942 - January 23, 2025

Jo Ann (Toni) Conti, age 82, beloved wife, aunt, friend and teacher, passed away peacefully Thursday, January 23, 2025. Toni, the wife of 55 years to William (Bill) Conti of Fenton, grew up in Olive Branch, just east of Holly. She was preceded in death by her parents, Walter and Josephine (Smith) Andrews, and her sister and brother-in-law, Marilyn (Mimi) and Jimmie Long.

Toni attended the Olive Branch School, a one room schoolhouse, before graduating from Holly High School in 1960. She went on to get her Bachelor of Arts Degree in Education and her Master's Degree at Michigan State University.

Toni loved her hometown, her family and serving others. You couldn't go anywhere in Holly without running into someone who knew her. While she has no children of her own, she spent a lifetime caring for others. Aunt Toni was like a second mother to her nephew Philip (Robin) Long of Boyne City, niece Lesley Jesse of Fenton, niece Lisa (Peter) Hickman of New Jersey. She spoiled 6 great nephews and niece; Eric Long, Jake Long, Caleb Long, Jordan Hickman, Mason Hickman, Adam Jesse and Abby Jesse. She gave her heart to families in Holly serving as a dedicated Early Childhood Teacher for 42 years and even awarded Teacher of the year. She loved Bunco with the girls, buying and giving gifts, trips to Florida and caring for animals especially the cutest cat in the world, Minnie.

The family will be receiving visitors at Dryer Funeral Home in Holly on Tuesday, January 28th from 3-7pm. Funeral Service will be held at 11:30am, Wednesday, January 29, 2025 at Dryer Funeral Home with Pastor Beth Gentner officiating. Burial will be at Great Lakes National Cemetery.

Special Thanks to Caregiver Kelly Sherrill and the wonderful helpers at Hampton Manor. In lieu of flowers the family requests donations to the Fenton Adopt-a-pet.

“ I shall always remember Mrs. Conti I had her for kindergarten she was such an amazing woman I have many memories I have always held close one being when we did circle time and she would play records the few songs I will always remember is who stole the cookie from the cookie jar. And loved when she would do the five little pumpkins However there is a story when I was in her class so my first day of school my mom had told Mrs conti that I have this obsession with pictures and if she ever found me in her purse it's only for the pictures well my mom got a call and apparently I was sitting by Mrs contis desk looking at the pictures in her wallet but Mrs conti was understanding and so amazing she wasn't mad or anything that's something that I've not ever had forgotten. She never forgot any of her students she had so much love for them the last time I saw her was downtown at a parade in I think 2012 or 2013 or so. She came up and gave me a hug and we talked I absolutely loved her and I will never forget her she is truly an angel. Rest in peace Mrs conti I love you and thank you for love and compassion and how you made anything fun bless you

“ *I met Toni at Spring Meadows. My husband had been a long time member, but I was new to the club, as well as, the area. Having moved from out of state, I knew very few people. Toni welcomed me with open arms. I was so taken by her genuine senserity. Her beautiful smile and reassuring words were so appreciated. I often tell the story of a club fashion show I attended soon after arriving in Michigan. She welcomed me to her table, after another had refused. I will never forget her kindness. Her generous gesture made such a difference at that time, in my life.*

*The last time I saw her, she looked so cute, dressed in her white jean jacket with silver nail heads. Her hair and makeup looked so nice. I told her she reminded me of my mother. I couldn't take my eyes off her. I will forever remember her that way, and cherish her kindness. God Bless you, Toni. Rest, in your so deserved peace 🕊️.*

“ Tony taught all three of our children at Holly Elementary. We realize that is not unusual, but they were thirteen years apart. She also was a colleague of mine. She worked in one wing of the old Holly Elementary while I worked in another wing. This was before the remodel Many experiences shared in the teachers lounge and staff meetings. One of the most beloved teachers, and friend.

“ My condolences to Mrs Conti's family. I'm learning her first name for the first time today. She was my first grade teacher way back in 1989, and I adored her. Even used to write her little love letters. I had trouble reading as a youngster, and I can still remember all the kindness and compassion she showed me. If she made an impact on a goofy kid like me, I'm sure she did the same for countless others through her years teaching. It's amazing what a positive impact one person's life's pursuit can make on the world. Rest in peace, Mrs. Conti.
