“ My condolences to the family and friends of Jack. I got to know Jack through bowling and he became a very dear friend. Jack drilled many bowling balls for me and he was the first to say well done when I put up a good score. His building out back was lways full of friends exchanging bowling or what ever stories. Even though its been a while since I have seen him he will be missed. Garlen Decker

“ Our family could not have had a better friend. From watching our nephew, Billy St. Pierre, when he was a toddler, along side his wife Sharon, to rescuing my Mom, Joan Coulter, after bowling one evening, when she fell outside Holly Inn & broke her ankle. Taking care of our family Bowling ball & shoe needs thru the years, being an amazing Father, Uncle and for the last 13 yrs "Great" Uncle Jack to my Grandchildren, John "Jack" Beelby II & Jordyn Beelby !! And when Mom fell after getting Alzheimers Dementia he was kind enough to meet me at the nursing home to bring Mom home in a wheelchair & then continued to either take us to appts or let me borrow the van until Mom became homebound. We will all Miss Him but God couldn't have gotten a better coach for those "Thunder Storms" when God's just Bowling and the Lighting are just his "Strikes"!!! To the Moon and Back!!! Soo Much Love from Joe & Lynn St. Pierre & Our Entire Family we send our deepest thoughts & condolences to our Other Family the "Beelby's!!!
