“ John will be missed dearly! I was very blessed to have cared for John the past two years as his aide as he lived in a long term care facility. He had a huge heart and personality no one will ever forget. I'm glad I was able to bring a smile to his face in the last years of his life. I'll miss his smile, hugs and kisses that he always gave me when he saw me!! RIH my dear friend, I will always keep your memory close to my heart and my prayers are with your family at this time!
