“ I am truly saddened to hear of John's passing. I have fond memories of John, Melissa, Mike and Mr. & Mrs. Morgan. I spent many hours at their house and having fun in the yard . John loved to laugh and new how to make you feel right at home. I remember fondly of the many times when John or Melissa were at our house and "Duke" (their St. Bernard) would be laying on our porch waiting for John or Melissa. You always knew where John or Melissa were by where Duke was. I moved from the area later in life and was only able to visit with John a couple of times. I can tell you those few visits were priceless. If there were more people in this world like John, the world would truly be a better place. Thank you for your service and may you Rest In Peace.

Larry your post brought back many fond memories of John! We all had a very good life growing up in Davisburg! Like you I lost contact with John as we grew older, but he will always be considered a good friend. And yes ole Duke is a fond memory. May his family find peace in this difficult time. Best regards Larry Rose.

Too many memories to even write. Ralph and John were best friend before they were born. Their moms carried them at same time. Walking in Davisburg, pushing strolls...wow! We are so sorry for your loss Margot!! Our hearts ache for you. Remembering the great times.

Dear Margot, I worked with your father for many years. During that time we formed a "brother" relationship that I will always cherish. John and I were in the US Army at the same time and we would talk and laugh for hours. My heart is very heavy realizing that John is no longer with us. He was so very talented, passionate about life and simply a joy to be around. I feel that I have lost the only brother that I ever had. I am so sorrow for your loss. May God bless you and keep him close to you.

Hello, John and I worked closely together at Saturn Electronics for about 15 years. He was a great friend and work colleague. We enjoyed working together and found time to get out and play golf. He was always so much fun to be around. He was a great leader that was loved by the team that worked for him. John was remarkable in many ways - bright, sincere, honest, hardworking, friendly and a man of great integrity. He was always successful in everything that he did at work - a very talented manager and businessman. I have been deeply saddened by his loss. He will be missed by many.

I will always cherish all the laughs we had with my Uncle John. Christmas parties with gag gifts are priceless memories. Times spent at grandma and grandpa's house in Davisburg. Wink and Dink laughs. Margot I love you dearly and I'm so sorry for your loss.
