“ It had been over thirty years since I had seen John. Then one day, as we were both paying respect to loved ones who has passed away, I met John again! It was ONLY because we were both able to reach out a say hello to what we thought was a stranger! We rapidly discovered a shared interest in life!

I discovered in John, a man who truly reached out to many, believed deeply in God, and who regularly and consistently lived to new standards and conduct for his fellow man! John was accountable!!

My message from John was to KEEP GOING!! Live a true and honest life! Help others! PRAY! Be ACCOUNTABLE! ENJOY!

The spiritual "Transformation" of John will live on in those who knew him as WE trudge the road to happy destiny! (This is a secret message that many will understand!).

“ Always a smile to share',a shoulder to lean on,a heart as big as you were...that's why we called you "Big John".If someone needed help you were always the first one there.A fantastic father and friend.Someone we could rely on when things got rough.putting your needs on the back burner because of being needed elsewhere.We guess God needed a special Angel and that's why he called you home plus he felt you needed a well deserved rest.Well...Big John we want you to know we'll miss you dearly,we truly loved you and we hope that you'll be peaceful at your rest .Love Kathy & Ted Grugel

John Shimmel was a man of God and a true friend to all. He even donated to our church, Holly Calvary, a flag which had the all the people's names on it who perished in the 9-11 tragedy. It is presented in the hallway of our church. John will be missed by many.
