“ My memory goes back to when I was 15 and he was 8 yrs old we both lived on the same road. I would walk by his house daily and would watch me then one day he followed me down the RXR tracks. He became my brothers best friend, I watched him fall in love with his wife. The life of Johnny was always adventurous, camping, hunting, or just kayaking with his dog. He was a nice person was loved by many and will be missed. He may be gone in body but memories he shared with so many will always be here. Loved you Johnny RIP and I'm glad you finally got what you were after all those years. Tell your mom hi.

“ Johnny was my brother in law for over 40 years. We did alot of things together, hunting, driving around in the truck for something to do, hanging out with Kenny and Dale and Bill. A lot of good times. I'm going to really miss him.
