

Judith D. Hogan

January 24, 1942 - July 27, 2017

HOGAN, JUDITH DIANE (JUDY), age 75 died on July 27, 2017. Visitation will be held on Sun. July 30th from 2-7 PM at Dryer Funeral Home in Holly. Funeral services will be held at 11:00 AM Mon. July 31st at Dryer Funeral Home, Holly with Pastor Patricia Harton officiating. Judy was born to Clyde and Helen Thompson on January 24, 1942, and lived in Holly and Fenton her entire life. She was a person with great empathy and cared deeply for the welfare of others. Judy graduated from Holly High School's Class of 1960, where she was a four-year class officer and cheerleader for the Holly Bronchos. She received her Bachelor of Science in Education from Central Michigan University, and her Masters Degree in Education from the University of Michigan. Her first teaching job interview was with Fenton High School as a Business Education teacher; they hired her on the spot, and she spent 32 years there as a teacher and coordinator for the vocational school-work co-op program. Judy served in many elective positions for the Fenton Education Association, including two terms as president, along with representative positions to the regional and state organizations. Although offered the opportunity to become assistant principal at Fenton High, she chose to remain in the classroom and enjoy her relationship with her students and teaching colleagues. After she retired in 1996, she continued to substitute regularly at Fenton until the diagnosis of her cancer in 2015. She married Clyde Riddle in 1963, and he preceded her in death in 1988. She later met her second husband, Max Hogan, on the golf course; and they were married in 1991.

Together, they enjoyed many more years of golf and following sports, travel, spending time with family and friends, trips to Arizona, and eating out! Judy belonged to a bowling league for many years, and several golf leagues, Bunco club, Pinochle club, and loved to play in Euchre groups and tournaments. She especially enjoyed for more than 25 years an annual week's golf trip to Crystal Mountain with the Nags and Fillies, eight women friends who played lots of golf, laughed at silly skits, ate whatever they wanted, and never had an argument! Judy is survived by her loving husband, Max; sisters Karen (Jim) McDevitt, and Pam (Bruce) Rimmer; special nieces and nephews; Susan (John) Dasky, Alissa (Curtis) Rinke, Matt (Cindy) McDevitt, and Todd Runfeldt; sisters-in-law Mary Kirkpatrick and Sharon (Mike) Neaves; nieces-in-law Kellie (Bruce) Garrison, Kate Kirkpatrick, and D'Etta (Lee) Seward; nephews-in-law Bob (Jen) Hogan, and Todd (Kris) Neaves; great-nieces and nephews Andrea, Allison, Maddy, Georgie, Josie, Andrew, Ty, Nick, Jaclyn, Jacob, Kaylin, and Grace. She loved you all! In lieu of flowers, donations may be made to St. Vincent DePaul Food Pantry in Fenton. www.dryerfuneralhomeholly.com

“ Always with a caring heart, Judy was one of the most giving persons we will ever know.
I knew her as a sister (in-law), a patient and forgiving typing teacher at Fenton High School, and a friend with a wonderful smile.

“*Max, Karen and Pam and Family,
What a wonderful lady is our friend Judy! There are many who can share lots of fun happenings which are involved with Judy. She was that kind of person. I found a friend in Judy in 6th grade and that friendship has endured for all these many years. Judy has been the "face" of the Karl W. Richter Memorial Award presentation for over 30 years. We will miss her inspiring words she shared as she represented the Class of '60 on Memorial Day. Bill Fagan, the Postmaster, had a soft spot in his heart for Judy and once told me that Judy was someone whom the town of Holly could be proud. A hole is left, but the many good memories will fill the void. My sympathies are with all the family and Judy's friends.

“ *we are so sorry to hear about the passing of Judy. Although she
was not a close friend I always knew she existed in our school and
was a classmate of Karen's. I always deeply respected and admired
her as well as the entire family. She was the kind of person that
gave our town such a great reputation.*

“ *So very sad to hear of Judy's passing. We both have fond memories
of Judy. Morgan being a member of the great class of 60 and I have
great memories of cheering. I always loved her laugh and pleasant
ways. I wasn't in that class but Judy always made you feel part of
the group. She will be missed. Sending our prayers to her family.*

“ Max and family, so, so sorry on the loss of a great and beautiful person and wife, Judy. I can remember first meeting her as we embarked on a trip to Toronto to see Phantom of the Opera. That's where she told us about meeting, dating, and eventually marrying you. How lucky could one couple get? I remember seeing you in Arizona while visiting Mary - thanks for the memories on the golf course, the laughter as we caught each other up on the past, present and future. What a lovely, lovely lady! She will be missed.

“ Max, Karen, Pam and family. My most heartfelt condolences to you all. Judy was a lifelong an extremely special friend of mine. We did and shared so many things throughout all our Holly days and beyond. Cheerleading, sports, dances and so many other events when I would come back "home".

Our neighborhood held a Carnival for a few years to benefit UNICEF and of course Judy was one of our leaders in that endeavor.

I remember fondly each Wednesday evening when she, Harriet and Joyce would pick me up and we would go over to the Methodist Church before they had choir practice and play ping-pong. What a competitor Judy was!! And of course Jud and I shared so many outings with them, especially Tiger Games in the late 1950's! Our HHS class song was "MOMENTS TO REMEMBER and the words..." The friends we've made, the fun we've had---This parting will be OH so sad"---rings so true.

God bless and be with you All and eternal rest to you dear friend.

“ Max, Mary, Jim, Karen, Pam and Bruce, we have lost a real gem. Judy has been a special part of our family for many years. She will always be remembered for the many kind and generous things she has done. For me, personally, she has always been a rock and done many kind things for my family. I will miss her taking charge of everything, all the time. We used to laugh and say "Don't let go of your plate, or Judy will take it and wash it". She always kept us on the straight and narrow.

To all of her family and friends, I wish for peace in your hearts. She was an amazing person that I will miss terribly. RIP our Sister and Friend.

“ I have known Judy all of my life. Her family lived on Hadley and ours on Sherman streets in Holly. I can still see her climbing our fence to spend time with my sister and her very good friend, Sharlene. Judy was a special person and will be dearly missed by all who knew and loved her. My deepest sympathies to her loving family and friends.
RIP Judy

“ Judith was one of the kindest, sweetest most loving individuals I've ever known. I'm sending all my love and condolences to Max and the Hogan family. Judith will be greatly missed, however, she will always be in my heart. So glad I was able to see her at the Hogan Family Reunion in 2016. RIP my friend.
