“ *Rest dear friend. You've touched many hearts being the gentle giant that you were to all that you loved and we all loved you for it. You lived my friend, created beautiful babies, were the epitome of an amazing son, brother, father, uncle, grandad and friend. Your spirit and love will live in everyone that met and knew you. Until we meet again. Rest and do what you do best, watch over everyone. Will always love you.*

Your friend,

Erica Madden
