“ My sister would watch Kari and I at her house when we were younger while our parents would go out. I remember hanging out on the couch watching *The Breakfast Club*. 😊 Kari had the biggest heart and the most beautiful smile. She was a few years older than me but always was so kind to me. I loved every time I had the chance to see her or ran into. She would give me the biggest hug and it was always like no time had passed. I will miss her deeply.
