“ *My deepest sympathy for your loss. In the difficult days ahead I hope you will be able to find comfort in memories of the past and hope for the future. Our loving creator feels the pain of our losses as we do and has promised to undo the sorrow death causes. (Rev. 21:4,5; John 5:28,29) The Bible promises we will one day see our loved ones again, but at a time when there is no more pain, sickness, or death. Until that time, may you find joy in the many memories you have. My prayers are with you.*

“ *I am very sorry to hear of Kathy's death. I got the opportunity to spend time with her when I would bring the the Eucharist during her last recuperation period, and got to know her much better. She was a kind woman with a special love for her children and her pets.*
