“ *I am so sorry to read about your loss of Kathleen. My mom was blessed to have her as a very good friend in high school. They were two of the very special girls in Holly High School's class of 1945. They had grown up during the depression and WWII, but those events did not define them. I know Kathleen brought a lot of joy to my mother, and I have always been very thankful for it. I still have a picture of them together at a class reunion. So please accept my condolences, and I pray that God will be with you during this difficult time. Connie Cleaver Romero*

“ *Grandma Sweetie as she was known by in our home was a wonderful "Grandma" to my three children Kile, Cory and Kelcy. She treated them as if they were her grandchildren and with that she created memories to last them forever. She took them to the farm she grew up in, eating ice cream, swing on the swing, planting flowers and so many more grandma things. The one memory that my kids will remember forever is "delicious" cookies (Little Debbie's). She always had a box of them in her kitchen cupboard for when my kids came to visit. On Birthdays, Holidays, Halloween and even graduation she never failed to have their OWN box of Delicious Cookies as their gift. She will always be in our hearts.*
