“ *My beautiful Nana,  
We weren't ready to loose you, I don't think we really ever would  
have been. You were funny, sassy, charismatic and your love for  
your family and friends never ended. You were always there to give  
a hug, a hand or advice whenever it was needed, and even when it  
wasn't 😭 I will love you and miss you every second of every day.  
Please give Papaw a hug for me. I miss and love you so much, until  
we meet again. I hope Jesus is ready for you!*

“ *Kathy was one of my favorite sister-in-laws. She was a hard working  
woman, a great mom to you boys, just a loving and caring person.  
The world got a little darker, but heaven gained a bright new soul.  
Love always, Uncle Danny*

“ *Dale, Kathy, David and Tracy had a wonderful BBQ dinner the 29th.  
Dessert on the deck over looking the lake after. Good conversation,  
love and family. We will miss her.*

“ I have know Kathy for a number of years. I know she loved our Lord and Savior and did her very best to follow Him. She read her Bible I believe at least daily.

Her sons and grandchildren were a huge part of her life. She raised one grandson, and was a big part in helping with the others.

Dale Huffman was her very special friend for a number of years and will be missing Kathy as well as her family and the many, including myself that loved her
