“ *Kathy and I were classmates at McAuley High School in the 60's. We were friends outside school as well and had many good times together. The Zoz family was always warm and welcoming to Kathy's friends. I was delighted when Kathy married my brother Jim and became part of our family! I am so happy that Kathy had the opportunity to be with her grandson Parker before she died. I know she will be watching him grow up from heaven.*

“ *Kathy and I go back a long way. We went to high school together, though she was a year behind me. One thing was a common occurrence when Kathy was around and that was laughter! Although our paths in life took us in different directions, we never lost the camaraderie we shared years ago. We had lunch together last summer, each knowing her time was short, and shared so much of the years gone by - I will always cherish that time with her. God bless those who have to learn to live without her!*

“ I just read Kathy's Obit. I am in total shock. She was my rock, calmed me down, visited me at the hospital. AND told me "You look like Hell" She was a true friend, full of piss and vinegar. She always had a smile for everyone. She had a habit of stretching her arm at the same time people were asking for volunteers. Mostly crappy jobs, No one wanted. She was the most faithful dog walker for her dog, snow, sleet or rain. Kathy I will miss you personally, but you gave many people help when they needed it.
