

Kenneth A. Betts

April 29, 1967 - September 16, 2016

Kenneth Allen Betts was called home to be with the Lord, Friday, September 16, 2016. During his last days, Kenny was surrounded by family and friends, who miss him dearly, but celebrate the fact that he is now with God in heaven. Kenny had put his faith and trust in Christ alone for the forgiveness of sins and eternal life. Although he is absent from his body, we know his soul is with the Lord because of God's grace.

Kenny was an avid hunter and fisherman who loved being in the outdoors as often as he could. He was a craftsman and was always the first one to be called when something needed fixing. Ken's passion was his family and friends. He had great pride in the accomplishments of his family. He was blessed to work alongside his eldest son, Derek, as he built his new business. He celebrated his only daughter Nicole when she received her B.A. in marketing from Grand Valley University, and never missed a baseball game of youngest son, Brayden.

Ken is survived by his wife, Theresa, his sons, Derek and Brayden, his daughter Nicole, His Mother and Father, Chuck and Sharon Betts, Brother Todd Betts and Melissa, sisters, Jodi Crow and husband Paul, Julie Villarreal and husband Louie; In Laws, Jim Church, Juan & Sandy Villarreal, Tim and Kim Villarreal, John and Tina Ladwig, Chris and Leah Patrello, Brian and Jennifer Reedy.

A celebration of Kenny's life will be held, 2 PM Wednesday, September 21, 2016 at Dryer's Funeral Home in Holly, MI. Visitation will be from 2-9 PM

Tuesday.

With His constant smiling, laughter, and joking around he will be dearly missed and will never be forgotten.

4 He will wipe every tear from their eyes, and there will be no more death or sorrow or crying or pain. All these things are gone forever.” Revelation

“ *In this life that we live! God gives us the opportunity to share with His creation a life. That life always has the tragedy, happiness, and struggle to survive. When we have that opportunity, what we do with it matters the most. God places so many beautiful things before us and shows His love through our families and friends. Men have been placed here to be the warrior of the family to stand when is needed. He placed man here to be the leader, provider, lover, and protector. This warrior position reflects the deep love that men have for their lives and families. In doing this we reflect the very essence of God himself. Kenny as your uncle I know that you tried so very hard to reflect the very nature of God. I am sure these words will be heard from the heavenly realm. Rest in peace my precious warrior for a job well done. God has taken you from this world early but He must need you more. Know that you have made your mark on the world that can never be forgotten. Each man's story will be a lasting memory. Rest well my fellow warrior in the arms of Jesus!!!!!!*

“ Ken... this is your ole Aunt Judy.. ya know the one who changed you bottom for about 6 months.... oh yeah you probably do not remember that after all you were just a wee one. Though we have not had much contact since you have grown and become a man...what is that saying do-do happens...life goes on.. and everyday life is a distraction, there are always moments that creep into mind of time shared.. Christmas at Gramma Marg Marg's., Easter at your mom and dads..The hunting excursions with Grandpa Earnie, you being so excited about the skiing passes your parents got you that one year for Christmas,the birth of your first child. You have had a good life and now God has chosen you to live with him. Rest peacefully young man... you will be sorely missed and remembered always.

I compose a little something for you to share with your loved ones...

*I see your tears daily
I hear your words as well
I wish you could understand
That all is well
The anguish your feeling by this loss everyday
Eventually will ease, yet never fade away
With every silent moment
every breath taken in
A pretty flower, the leaves rustling in the wind
The sunrise in the morning, the moons glow at night
I shall always be by your side
The smile on your face when you gaze in the mirror
Each day that passes things will become clearer
In your heart, feel it with your soul
There's a warm and comforting glow
My presence surrounds you always; I am a part of you
Weep not for me now that my shell is gone
With my memory you are never alone
~Kenny~*

Now go gently sweet man...a new life awaits..

“ *We are so sorry, shocked, and saddened by the loss of Kenny. He was definitely on my "Favorite People I've Met in Life" list. I never saw him when he wasn't quick with a smile or a laugh. Never saw him when he wasn't quick to lend a helping hand. The first day I met him, I was as comfortable with him as if we'd been friends for years. He will be missed greatly.*

All of our love and prayers for Theresa and the rest of Kenny's beautiful family. May you find a lasting peace, and the strength to make it through. God bless you.

Love you all,

Mark and Kristen Gurniak
