“ In the summer of 2014 Ken was sent to California to prepare for an auction. I was helping him with logistics etc. representing involved parties. It was a pleasure to work with Ken and to get to know him. I only worked with him for 3 months, but we became good friends and have stayed in touch ever since. Ken contacted me last July to see if we were OK, he had read about a fire near us and was concerned. The last time we visited was Thanksgiving last year. Ken was a good Christian man and I am so much better for knowing him. I will miss him greatly but I know he is with our Savior now. I look forward to meeting him again when I also leave this world. Ken made a difference in my life and I am glad I met him. God bless his family as they go through this loss.
