“ When Kemny was 2 years old , the family rented a house boat on the Mississippi River. One night Kenny some how got the keys to the boat and threw them into to Mississippi River. We were stranded. However the two older brothers went swimming into muck and luckily found the keys.

“ *Ken was like a dad to me - in fact, I even called him dad. He saw me grow up and I was probably at the LeGendres' house more than my own home for the first 15 years of my life. He always had such a great sense of humor and I will never forget his laugh. Ken, wherever you are now, thank you for being such a great stand-in dad and a great real dad to Vicki and Jim and no doubt and amazing grandpa to Caitlyn and Jim & Karen's little girl. I will miss you.*

“ What can be said about my Uncle and in most part my father Jerry's best friend. I remember no matter where we lived my father would call my uncle during the UofM game vs. Ohio State. After my father's passing I also called to keep the tradition up, and that part I will dearly miss, I will have to call my Aunt JerryLynn this upcoming year. I will also miss calling to talk to my uncle whenever I wanted to hear my father's voice, they sounded so alike. I will deeply miss you and will always have you in my heart. Amber

“ Kenny and I grew up in the same neighborhood. We played football with neighborhood kids on a vacant lot on Hartner Drive. Later in life we went to high school and played football with Holly Broncos. Kenny was a great guy! God bless Kenny and his family!
