“ My deepest sympathy for your loss. It is a struggle to adjust when we miss someone so much. In the difficult days and weeks ahead I hope you will be able to find comfort in the promises preserved in God's Word. Our loving creator Jehovah feels the pain of our losses as we do and has promised to undo the sorrow death causes through his loving son Jesus Christ. (Rev. 21:4,5; John 5:28, 29) Jesus said we would one day see our loved ones again in a beautiful paradise earth where there is no sickness, pain or death. (Matt.6:9,10) Until that time may you find joy and comfort in the many memories you have. My prayers are with you. A. Freeman

“ Dear Narcia and Family,
I remember Kurt coming over to our house when we were kids and working on his Nova. We used to joke about how the car was pieced together with Bondo. Kurt was so proud of that car. He painted it white with a thick black stripe down the center. We had a lot of laughs with Kurt. He was a great guy and I'm so sorry to hear of his death. I wish you all peace during this difficult time.

“ Dear Narcia, our families thoughts and prayers are with you and the boys during this time. Kurt was a good friend and colleague during the many years at Bosch. I always remember how he always talked fondly of his family and how he would rush home to participate in all of the family activities. He will be missed and I am sorry that I will not be able to say goodbye in person, as I am in Japan this month. Manthan Pandit and Family.

“ Dear Narcia, Jacob, Scott, Daniel, and Stephen, we were so sorry to hear about Kurt. He was such a wonderful supporter of all of the runners on the cross country teams. He was a great support to Matt when he was struggling through all of his running injuries, giving him encouragement. I remember how bad your husband missed running when he was injured this past year and the passion he had to get back to what he loved. But as much as he loved running, his love for you Narcia, and his sons always was very visible. We are keeping your family in our thoughts and prayers. Laura, Steve, Matt, Megan, and Morgan Losey

“ I have a couple of memories from XC camp...firstly, Narcia telling me what an amazing weekend they had just had in Frankenmuth... secondly, Kurt jokingly saying how he had the management side of things down when we were doing KP duty at camp...thirdly, how cute they looked sitting back to back at the beach when the team was doing core work, and lastly on Wednesday morning Kurt saying, "If Steven had a decent partner, he could probably win this thing!" What a great marriage, wonderful family, and amazing man:)
