“ I never got to meet Kyle but I recently met his mom, Starla. & his sister Meleigh. I love both of them. I deeply regret this had to happen to the family. Starla is a shining star and now has one up there shining down. She is my friend and is so good to me and my family, I'm so glad I got to know her. I Love You Starla and Your Family, you have a great dad and I know your son was precious to you and I am praying for you and I send my love to you all. Wish I could calm your sorrow but I know only God can do that. God Loves you , always remember that OK. My condolences to the Dean Family.

“ I remember one night at a bonfire at starlas, i wasnt really feeling very hopeful about things at the time so he did really goofy things until i laughed, not smiled but laughed. Said he wanted to "hear the smile". Smh, gone to early kiddo but know you made alot of people smile and laugh. You will always be missed, until we meet again kiddo....xoxo, thank you for what you did for me :(

“ Kyle was like my big brother. He picked on me a lot but if anyone messed with me he wouldn't put up with it. I miss him a lot. I still cant wrap my head around the fact that he is gone. He was always there for me when I had a rough day he would tell jokes to make me laugh. He is a good friend and brother. I love you Kyle and ill see you again someday

“ My boy, gone to soon. Your aunt loved you no matter what! I have seen you at your best and you had a lot of years and a lot of love to give. Watch over your sissy and nephew. She is lost without you the most. Kiss Gaboo for everyone. R.I.P my boy. Until we all meet up in heaven, save us a seat. Love you and will never forget!

“ Kyle you will be truly missed. Wish we wouldve had more time together. My heart is with your mom and sisters in this troubling time. I remember when I found out your mom had a son. I was so excited cause I had another little boy cousin. We had plans to meet again and start the relationship that cousins are suppose to have. Even though we didn't get the chance I will never forget you and I know one day we will meet again. All our love from your family here in the dirty south. Love always Tiff, Elijah, MaKaila and Aunt Terrie

“ Kyle was a friend of many and most of all my big brother. We would sometimes talk for hours about random stuff. He was a great uncle as well and good with everyone's kids. I was hoping one day he'd make me an aunt :(.

Word can't express how much I miss him.... I can't believe he is gone still and just knowing Tuesday is my last time seeing him is tearing me apart.

I will always remember the good times we had and even the bad. I will never forget u Kyle I love u so much! Heaven is gaining a lot of great people these past few years. I can't wait to join you one day again.

Xoxoxo I love you!!!!

Kyle worked for me learning the ceramic tile trade. He was a very hard worker and a fast learner. Kyle was also a friend of mine and a very talented young man . He was a great mechanic and did some awesome things working on my trucks. Kyle was a funny guy and would make me laugh often. He loved his grand parents ,sisters, and mother and often did special things for them. I will miss him a ton. Rick Carr
