“ Larry is reunited with his Dad and brother in heaven with the Lord. We remember Larry in his earlier years when his life was vibrant and full of fun. And we admire his dedication to his family in Michigan as well as his Carolina family. He will be missed until we join him in heaven.

“ *Wow, so hard to believe he is gone. I talked to him when I came to Michigan this past summer for our 40th class reunion. Had not talked to him in over 30 years so was good to hear from him but was unable see him in person. Larry and I had many an excursion in his Chevelle which I truly enjoyed. We graduated together, and when he was working at the body shop when were in school I would go help him sand on cars. Once he had one of his Chevells sold and he had blown the motor on the way to deliver it to the guy in Flint. We were seniors in high school. Everyday for a week after school We went to my cousins barn and rebuilt that motor and the guy still bought it. He had visited me when I lived in Louisville, Ky also and that was a nice surprise. Our prayers to his family, he was always a very good friend to me.*

“ We need more people in this world like Larry. He was always kind, always thinking of others, and so upbeat no matter the circumstances. He was a perfectionist and took pride in his work. We always loved when he'd come to visit my brother, we had some good laughs. God bless your family Sandy, we are so sorry it had to be him. Find comfort in the memories 🙏❤️
