“ *Tiger was not only a people magnet, but all animals recognized his gentle, loving nature too. Tiger went with us several times to rescue places to find the perfect family dog. When we did find one, she preferred him to us! She sat on his lap all the way home, and snuggled close to him through the vet appointment. Both our dogs loved him dearly! He was a beautiful person and words cannot express our sorrow. So very, very sorry. We will remember him by wearing camo every May 8th.*

“ Thank you to EVERYONE for all of your amazing support. You honestly have no idea how much it means to me and his whole family...when I say family I mean every single person that knew tiger. You were all his family. You always will be. Tiger was the guy that would do anything and everything to help some one out. Didn't matter how big or small. If he could help he absolutely would. The other day my car broke down in milford. Tony was coming to town me home but the drive shafts was hanging. Tiger was there in a matter of minutes to help.. (sorry j.w. fields) it was the middle of a work day 😞 that's just how my brother was.one amazing soul. He is literally the only person I can think of that no one didn't like. You could have known him forever or five minutes. You automatically liked the kid. I can barely read this so I'm sorry if anything is spelled wrong or all over the place..kinda bawling my eyes out. Anyways we love you tiger...we always have..we always will...forever in our hearts...forever missed. I love you little brother💕💕

“ Tiger always went the extra mile to help somebody out. He was always asking what he could do to help: Mowing the grass, cutting down unwanted brush...and nobody ever asked him too! He was just such a giving, caring, thoughtful person. We are truly blessed to have known him and shared so many good times together. He accompanied us on several of our family vacations, and his presence enriched our lives! This boy grew into a truly beautiful person and words cannot convey how sorry we are to his many friends and family. Cry, laugh, be angry...whatever you need to do to heal. We have so many memories that make us smile....and they are filled with his fabulous smile! We will always remember those sparkling eyes and his wonderful smile... and wow...such a great laugh! Our thoughts and prayers are with you. He will always hold a special place in our hearts! --The Crossleys
