February 4, 1939 - December 2, 2021

He was known as "Grandpa Larry" to many and was so loved by everyone. Larry was a bright light to people's lives when he would give a gift of love by sharing anything he had and giving with his heart and faith.

“ Larry was always ready to put a smile on your face, with his little doodads he made or a story he wanted to share. He was always doing something, like baking sweet potato or apple pies, canning everything, making wood crafts or building something. The kids all loved Grandpa Larry and his eyes would light up when he saw them. He will definitely be missed. Rest in peace, friend.
