“ *Larry Winchester, you were a great man, Your laughter and creativity were just one thing on a really long list of great things you brought to this world. You were the one friend that anybody would want to have, and was. I never knew of anybody that had so much respect for nature and his fellow man as you did. I will always cherish the time we've spent together and teaching me the craft that you took more pride in than anybody I've ever known.*

*Love you dad, Michael*

“ Karin,

*While I only ever got to meet Larry the one time we ran into each other at the Holly Inn I could tell he was the kind of person I would have liked to have gotten to know and become friends. I am so sorry for your loss and your families loss.*

*I have admired your courage through the challenges Larry faced in his final days. You showed great strength in the face of incredible adversity. I'm sure he did as well. Your actions are indeed a source of character to us all.*

*If there is ever anything the Cornwell family can do to help please do not hesitate to ask.*
