

Dr. Laura Marie Legant

August 1, 1968 - January 22, 2023

Laura Marie Legant, 54, of Holly, Michigan passed on to be with Jesus on Sunday, January 22nd 2023 with her family present after an 18 month battle with breast cancer. Laura was born on August 1st, 1968 in Maine. She was the middle child of a family of 5, with 2 older sisters and 2 younger brothers. The family moved to Michigan, where she graduated from Fenton High School in 1986. She married the love of her life, Steve Legant, on August 20th 1988. Their adventures started right away by moving across the country to Carson City, Nevada. While there, they welcomed 3 sons into their family. She raised and mushed huskies and went on endless travels. Laura was a teacher for 24 years and eventually went on to complete her doctorate in education. But Dr. Legant was only one of many titles she carried. After moving back to Michigan in 2003, the family settled in Holly. She and Steve welcomed their daughter in 2005. She continued to teach, owned a craft store downtown, directed and starred in many different theatrical shows, and owned a small fiber farm with goats, alpacas, rabbits, and chickens. She became a grandmother to 7 grandchildren and loved them fiercely. Laura was an exceptionally talented musician, artist, and animal lover. She traveled to all 50 states and many countries with her daughter, Rose. She loved Disney and adventure and loved planning trips with her family. Since childhood, Laura has been full of life and a force of nature. Laura's positivity shined brightest. She persevered and continued to have adventures right up until the end. She was an inspiration to all and successfully left behind a legacy. She is survived by her husband,

Steve Legant, children, Kyle (Beth), Austin, Josh (Merissa), and Rose, her mother, Karen Craner, her grandchildren, Blake, Benaiah, Berkley, Baylor, Killian, Brooks, and Levi, her siblings, Carla (Paul) Vizzaccaro, Jason (Danielle) Craner, and Pete (Evangeline) Craner, and many nieces and nephews.

She is preceded in death by her father, Art Craner, and sister, Alicia Hammond. The family asks that you please not purchase flowers. If you would like to contribute in some way, please consider making a donation to her GoFundMe to help cover funeral and medical expenses. Anything left over will be donated to Cancer research.

“ We met Laura and Steve when we all lived in Carson City and attended the same church. They were so young and were expecting Kyle. Laura could keep a whole room of toddlers enthralled by singing a simple song, while I couldn't control any of them. Laura babysat, volunteered at church and Christian Women's Club, worked part time with Steve and attended school. She went to garage sales and made crafts. She had Easter egg hunts for the kids and threw Steve a thirtieth birthday party complete with an hilarious "What do I know about Steve" trivia game. She was so funny--about the kids, about school, about Steve's job. I always wondered when she slept. We moved away to Texas and kept in touch for a bit, but once they moved back to Michigan we lost touch. I was so happy to reconnect on Facebook and find out about Rose. I loved watching her adventures from afar, and now I am so thankful that we managed to have dinner in 2020 when we traveled through the area. I wish we had taken a photo that evening; yet our whole family has been so blessed from knowing Laura.

*The students, staff and families at Rose Pioneer were truly blessed to have Laura Legant as teacher and colleague. Observing her teach our Kindergarten students was a joy as she used her creativity to bring stories and learning to life for the children. The staff often leaned on Laura for creative ideas as we planned reading month and other school improvement activities for our students and families. Each Halloween, the staff and students would wait with excitement for our parade to start in order to see what costume Dr. Legant and Mr. Camper had dreamt up. Laura was a lifelong learner, achieving National Board Certification prior to completing her doctorate. She will be sorely missed as a dedicated teacher and leader in the Holly community. Heartfelt condolences to the Legant family and all who knew and loved her.
Sincerely, Michael Beattie*

“ I don't think I've ever seen Laura without a smile on her face. She fought cancer with determination and optimism. I taught with her and she was one of the most creative people I knew. I taught with her at Rose Pioneer Elementary and every year the staff looked forward to seeing her costume at Halloween. She dressed Doug Camper into a character that went with her character. She was a blessing in the community and had so much more to give. She will be missed.
