“ Larry always brought a smile and was one of the most kind hearted individuals. I always looked forward to seeing him ride down to the lake on his bike and chat for a bit and then head to his boat. I will miss those chats and his smile. We loved that guy and will miss him very much. Sending our prayers and thoughts to Kim and family.

“ My deepest condolences go out to the family. I know how much Larry meant to all of you and especially how much all of you meant to him. He loved you all and just wanted to be with you and make you happy.

Personally, I can't say enough about how I feel about Larry. His loss means the loss of a cherished bond we once had. I'm glad I told him my name was Carl, it became one of our many recurring jokes. I survived searching for a boat when nobody but us was on the water. Karaoke...he was worse. Us yelling at a cyclist for yelling at us. Me speeding....slow down, Carl! Frequently hearing things like -Hey, where's that Carl guy? His excitement to show me his bidet, and of course I remember frustrating him by my lack of understanding lefty loosey, righty tighty. That one went on for hours. I never hesitated to go anywhere with him, though I probably should have. I think of you often and like all who knew you we will truly miss you my friend. You were one of a kind.

“ Larry was an outstanding member of the Coast Guard Auxiliary; it was a pleasure for me to work with him. We shared water operations together on his boat on Higgins Lake and the Indian River intercoastal system. Larry was a knowledgeable coxswain in the Auxiliary and we grew to be friends.
Kim, you and your family have my condolences. Larry will be missed and remembered. William Kumpula

“ Larry, was a great neighbor an assest to Camp Curnalia. He was always ready and willing to help a neighbor be it with a boat safety inspection or just a helping hand.
