“ I am certainly going to miss our visits, Leah was quite a story teller. I bowled with her and Fred for years. They were a hoot! She certainly had a fulfilling life. She loved her sons and grandchildren very much. She wasn't afraid of hard work. I was blessed to know her. Rest in peace good friend. Korie A

“ On behalf of the Pioneer Memorial Association of Fenton and Mundy Townships, I would like to extend our sincere sympathy to Leah’s family. We always enjoyed seeing her on Pioneer Day every year and hearing stories of her family and those of her mother’s family (Cora Judson Butts) who grew up on the farm which was the site of the original Podunk Village. Leah was proud of her family heritage and even bought life memberships to the museum for her three grandchildren. Leah often acted as docent in the museum sharing her extensive knowledge of local history. In sympathy,

“ For over 3 decades we were neighbors. Over that time we became family. We will miss all your stories, the history of Holly you shared with us. Summers will never be the same working out in our yards together. I know you gave Mr. Dumas an earful when you were finally reunited with him after 2 decades. We love you Mrs. Dumas and will miss you terribly. Rest peacefully with the love of your life. Until we meet again ❤️
