“ *Poke was a character who enjoyed chatting some days and other days he did not. He spoke lovingly of his late wife and his desire to join her in heaven.*

*My condolences to Keri and family on your loss-*

“ *It was my pleasure visiting your Father at Stonegate in Lapeer once a week. He shared many memories of his wife, his children and the important items in his life. I would tell him stories about my great grandchildren and he would laugh. A wonderful man.*

*Prayers to the family,*
