“ So very sorry to read that Charlotte has passed away. My mom and dad (Hank and Jennie Witte) was good friends back in the 50s and early 60s at church. I remember both when we went roller skating in Grand Blanc. They were so fun loving and loving to all. Penny Witte Worthington and Jennie Witte McNamee.

“ She was my close close loving, giving, Christ centered friend and prayer partner for many many years. It is hard to believe that it has been that long. She was one of the first to welcome me to Holly First Baptist and that close relationship just kept going. Trips to Bob Evans restaurants were a favorite place to eat, either by ourselves or with Carl also. Loved to bowl with your folks, especially when we were partners on the church league. She bowled so great, me, I bowled, but went mostly to fellowship and go out to eat afterwards. We checked up on each other on the phone, laughed together, cried together and prayed for each other's needs. She always said " Well Sweetie, I have to go or talk to you later Sweetie." She always tried to be positive, think the best of others, she was such a influence on my life. I used to laugh if I called and a ball game was coming on or already on, she would tell me she would get back with me. Watching her a couple of times at her condo cheering on the Tigers was hilarious. Our trip to Frankenmuth in the freezing weather to the Riverfront stores wandering around was crazy and we bought matching light pink jackets. She said we were twins. So many wonderful memories that I and Carl will cherish forever, we are truely blessed to have been her friends! I always told her how blessed she was to have wonderful caring kids and their families, that most people do not. She always said God blessed her and your Dad with all of you and the way you showed your love. She bragged on you too! We are already missing her, but know she and the love of her life, your Dad, are together, and she talked about that day when it would come! Heaven is richer with her there. Love you Char, Carl and I will see you again when we join you in Heaven. What a happy reunion! Our prayers are going to Jesus all the time asking Him to comfort and hold all of your family close to Him. Carl and Peg Feiler had a awesome Lady for our wonderful friend!

“ One of our favorite memories of Aunt Charlotte is during one our rare weekend trips with her and Uncle Skip. They were with us in our motor home and when we got up in the morning, Aunt Charlotte plugged in her curling iron, only to find it would not turn on. We were not hooked up to electric! Jon had Uncle Skip flip the switch for the generator.
Much Love and Hugs to the Family, Jon and Ginny

“ While watching Her son Tom carry his fiancé Mary across a muddy parking lot I commented to Charlotte Oh, to be that young again. Her reply to me was Oh, to be that light again! True story and I still chuckle about it. Great lady.
