“ *Dear Stanaback family you have my sympathy for the lost of your dear loved one. My heart goes out to your family at this time because death is the most painful ordeal that a person can face. God gives comfort to all those asking him, and "through His comfort you as a family you can comfort one another". “ I remember about a year ago, around the Holidays, Aunt Leone came to our house for a holiday celebration. My mom had yelled at me to pick up my fashion magazines and hide them before the guest arrived; I, of course, didn't. During the gathering, I caught Aunt Leone reading one them and we had a conversation about the different fashion styles and she told me how much she loved her fashion magazines. This is just one example of how cool Aunt Leone was. We shared a love for antiques too. After my grandma passed, Aunt Leone filled in. I'll miss you Aunt Leone! You were the best! I'm sorry I couldn't be there to see you off!

Love,
Rachel

“ *I have lots of memories of Aunt Leone and Uncle Ralph. They were the best neighbors. Leone taught us piano, took us up to the cabin, was always there to help. When I think of Aunt Leone, I see her in her living room playing the organ, or her and Ralph standing outside our doorwall on a cold Christmas morning watching us opening our presents because my brother had the mumps and Uncle Ralph didn't. Leone always had cookies and always sent us birthday cards. I will miss you but you will still be our neighbor, since you will be burried next to my parents. Rest in peace, you will be missed!!!*

“ *Aunt Leone will truly be missed. As her Niece I recall every Christmas Eve at Granny's and Every Christmas Morning waiting for Aunt Leone and Uncle Ralph to come to our house. Going to Aunt Leone's Cabin was always a Treat, as was running with the White Tail Deer herds in the woods there. She "NEVER" forgot our Birthdays, no matter how old we were. My Birthday just happened to be very close to Hers. I treasured our visits, her humor, and time spent together. I will miss her very much, and think of her often. I Love You Aunt Leone...

“ My memories of Leone are from childhood, of her and her husband Ralph and of a wonderfully energetic but well-trained small terrier that seemed to be always with them. She and Ralph were both accomplished golfers, and my first introduction to that game was as a boy of perhaps 8 years old accompanying Leone and a friend of hers on a round of golf on a course somewhere near Davisburg. I was probably the most inept caddie ever to walk that course, but if so, she was very forgiving. I am certain that this ready forgiveness, and this willingness to give time to others, were traits that stayed with her throughout her life.

“ To the family of Leone Stanaback. Leone was a package deal for me. By package I mean she was like a mom, a sister, a great friend and a very nice neighbor. I will greatly miss her with all my heart. God Bless each and every one of you and I hope you can find comfort in God at this time in your life.

“ I am so saddened to hear of Leone's sudden passing. She was always so full of life and care and concern for others. Visiting with her at the annual gatherings was always super interesting. I am sending my deepest condolences to her family, at this time. Just remember that God will help fortify you and help you. Isaiah 41:10
