“ The sound of Bud's laugh is one of the fondest memories of my childhood. My condolences to Cindy and Danny and to all of his grandchildren.

“ Bud always had a smile on his face and the first to offer help with anything anyone needed. He was the best uncle to my children, Jimmy and Roni Caldwell. He taught Jimmy how to tie his shoes and that memory my son tells everyone. I will miss Bud and the joy he brought into the lives of many. Rest in Piece knowing that you were loved by many.

Bud was the best brother-in-law he was always fun to be with. He never said anything unkind about anyone that I can ever remember. He was so good to Mark and David and I am sure the boys will never forget him. Bud was quite but you knew when he was there his small let you know and he would do anything for you and you didn't even have to ask he just knew. He is loved by so many and will be missed. R.I.P. prayers to Danny, Cindy and all of his grandchildren.
