“ *Linda was a model of a godly woman. I am thankful to have known her and have been touched by her kind, gentle, and faithful ways. Years ago, while I was doing dishes at a family function, she came up and asked me if I liked doing dishes. I didn't. And I was surprised at the thought of it. But her words and example directed me down a path of recognizing the joy available through serving others. She lived that. I'm thankful for her.*

“ Dear Mrs. Klempp,
I can't thank you enough for so many of my young adult memories. Thank you for the many wonderful walks, talks, rides to church, poems, movies, my first concert to see *The Monkees*, trips to museums, holidays in your home and birthdays. You were always there for the important things in my life. I will never forget my 16th Beatles Birthday cake...I still have the toppers. I kept the beautiful jewelry box and matching mirror from Ron and yourself along with my favorite snow baby. I will treasure these items always and never forget those amazing times together. Thank you for being there.
Love,
Anna

“ Linda we'll miss the short and long visits we had over the past 50 years, but most of all we will miss your bright, beautiful smile and warm joy you always carried with you.

We remember the days when Ron went to pick you because he was concerned you would fall asleep on the way home after working 12-14 hour days from the Nursing Home.

We also loved the garden you planted and the harvest you shared with us.

We recall when your babies were brought into this world.

Our last goodbye was a few days ago and it will always remain in both of our hearts until we meet again in the heavens.

Linda had a pajama party and we ruined the upstairs of her house! Mary never let Linda have a sleepover after that party!*

“ My fondest memory of Linda is when Nick & Jennifer got married June 12' 1998. Linda who was a fabulous cake maker and decorator made their Wedding cake. The day turned out to be 85 degrees and very humid. She asked me to help her and Ron deliver the cake. With the air conditioner on full blast all the way (we had to make sure the icing didn't melt).. We drove down South Fenton road at about 25 miles an hour, pulling over several times to let traffic by. Lots of sweet memories of her. Thankful she's home in heaven with Ron and her Saviour. Love and prayers to all the Klempp family.
