“ Dear Wayne, Jody and the entire family.
I am praying and will continue to pray for all of you. I was shocked when I read the email on Saturday about Linda's passing. Linda had a light that would shine out from her wherever she went. Her smile was always on her face, even through her illness and her suffering. Her genuine concern for others was just as much a part of her, as her love for her family. She was so proud of her granddaughters. She talked about them whenever anyone would listen. I had the pleasure of attending several bible studies with Linda, and I could see the love of Jesus radiate from her whole being. I missed having her come to church the last couple of years. We all know that Linda couldn't sing. LOL But she DID make a JOYFUL NOISE UNTO THE LORD!! She is with Jesus and one of her best friends, Joey, now. I can just see the two of them talking and laughing like they always did here on earth.
My sympathy and love go out to all of her family friends.

“ We thank you Lord for Linda's life and her spirit. She blessed us with her love, her smile, her compassion, her way of expression, her gifts, and her faithfulness in You. She shared your Love with so many. We give thanks for 'Linder' sharing her life and her family with Wayne(r) and all of us. We will miss her at the camp fire!

“ I am so sad for you, Jody. Your mom had to be a wonderful and special person to have a daughter who loved her so much. God bless you and yours.

“ I couldn't ask for a better friend and neighbor. Wish things would have worked out for you as we had talked about. Linda loved her family, friends, home and gardening. I loved the smile that beamed across her face as she talked about her girls. You will be missed more than you know.
