Linda Coale Voorheis, age 76 of Holly, MI entered God's greater glory on December 26, 2018 as a result of complications from COPD.

“ Dear Family,

*Linda grew-up less than two blocks from me.
We were best of friends all through school!*

One early best memory = Linda had a luncheon in her kitchen for close friends from school. WE WERE ALL PREGNANT!!! We had such a good time and shared our "adult" stories and experiences.

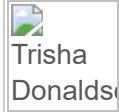

I was "Out West" for 25 years and my sons made me move back to Jackson, Michigan. One of the first friends I contacted was Linda. I would come to Holly and spend a day and night (on the couch) or two together rehashing old times and newer times.

We were always there for each other. Sorry I didn't get to visit her near the end.

My thoughts and prayers are with you all. Let me know when the funeral is and I will do my best to be there. I want to see you all in person! Especially Jerry!

“ I remember Linda was part of the neighborhood gang that would play many games of Monopoly on the front porch of where I lived, at the time, 602 E. Baird St, Holly. We were living the life that Norman Rockwell would have painted. RIP Linda from your childhood friend.
