Lois and I became friends when we became Secret Sisters for Christmas at Holly Baptist many years ago. She always tried to smile, no matter how she was feeling and shared such beautiful Christian love and encouragement to me. I loved her like a Sister. Sometimes we would get on the phone and seem to forget to get off. Joe you were so patient with us when you had dinner ready and we were still on the phone. Not a year went by that she and I did not send each other Christmas cards (Joe and Carl helped us out getting them done some years. I was so blessed to have you as my Sister in Christ. It was so hard when Carl and I moved up to Montrose and we didn't get to see each other but we were together in spirit. I am so thankful that we will see each other again in Heaven! I am not saying " Goodbye ", I am saying " see you again ". I know you will be waiting for me at Heaven's gate! I love you and I will keep praying for Joe, as he waits to join you when God calls him. God called you Lois, you answered! I miss you and love you! From your Sister in Christ, Peggy Feiler.

“ *Ah, my best friend's sister when we were young kids and my sister's best friend. I have a picture of the four of us at my son's wedding reception. I was intrigued that Lois belonged to a club called the Lois Club and sent her notices about it. Say 'hi' to my Mom, Lois, and save me a mansion in your neighborhood so we can be neighbors again. Love you. Pam Liscom, Alamo, Texas.*
