“ I have fond memories of Uncle Loren and Aunt Louise. Family Christmas parties in the basement. My favorite food was Aunt Louise's Bean Salad. Riding bicycles to their house. Larry and my dad riding wheelies on their motorcycles out front. The "bear cave" in the basement. Using the periscope to peer around the wall. Cookies and pop.

“ Loren was a good friend for 62 years:-)) We worked together for Detroit Edison. Shared hunting trips to Wyoming and Pheasant hunting in Michigan. When I left Detroit Edison to start Clarkston Auto Body he was the only one at Edison that supported me. We ate many lunches in our pickups at the fishing site on Maceday Lake in Waterford. One time I had the passenger door open and was dropping bread crumbs on the ground for the ducks. I grabbed one by the neck, threw it in the truck and I jumped out and slammed the door. Loren could not get out fast enough:-)) I paid him a visit when he was the Care Center. When he saw me he grinned and said "I knew you would come". I'm sure glad I did:-)) Great Friend. Many good times:-)) Sorry I can't be in Michigan for the funeral.
