“ Our thoughts and prayers are with your family, she will always be a fond memory in our hearts here at the Davisburg Post Office...there wasn't a morning she did not make us smile with her response to "how are you today" her reply would always be "finer than frogs hair"...she definitely was a ray of sunshine. In all the years we served her, I don't think we ever saw a frown on her face. What a wonderful long life she lived...the way she loved life showed in everything she did...she was definitely a blessing and a role model for anyone who had the pleasure of knowing her!
