“ Lynn drove my son Victor for many years on the bus. She was one of his favorites and so good to him. She was so kind and understanding of the special needs of the kids she drove. She was always so nice to me and my family also. Prayers for her family and she will be greatly missed.

“ She was one of the sweetest, fair, and lovely drivers who I had the fortune not only of riding with but also getting to meet through my grandma Marion Blumenschein. I'm so sorry to hear she has left and send condolences and love to her family and friends. She is so fondly remembered by many I am very sure.

“ Ohhh my goodness, you were the best! I started subbing on your route, You had broke your arm. You came to me with open arms and said, if any of my kids give you trouble, you tell me. You made me feel at ease as a new sub. Thank you because I probably would have quit. I loved seeing you everyday, and when you retired, I was saddened. I would come by your house in the bus and beep my horn. I knew you would hear me. You my friend, you were a good one!! I will deeply miss you. A day won't go by that I won't think of you and probably still beep my horn when I come by. Lynn , I will always love you, thank you for being so kind to me. You are my sunshine.
