“ Lynn was my mentor growing up, she was like a big sister to me. I was previously married to her brother Tim Rice who passed away in 2016. She helped me so much and taught me everything she could to help me be a good mother! I was 16 years old when I had my oldest Jeff Rice, he was a preemie weighing only 2 lbs 15 oz at birth. Lynn took me under her wing and helped me in every way possible! I will always be so very grateful for the blessing she was to me and my 2 sons, she was truly and genuinely a very special lady 🌹 I am comforted in knowing she is now reunited with her loved ones and in the arms of the lord at peace and rest. Lynn was a soldier and a warrior in her fight with Cancer!!! I will always remember her with such love and thanks 😊 RIH Lynn 🦋🦋🦋 you earned your wings on every level sweet lady! You will be so very missed by so many 🌹
I love you

“ Lynn has been my best friend for over 45 years. We bowled together, loved to go shopping, go on road trips from Frankenmuth, Traverse City, Arizona, and many other places. We lived next door to each other on Cyman in Warren. She helped me when I had my twin daughters Jennifer and Katherine. She did more than help she was like there second mom. We took turns visiting each other over the weekends, since I live in Warren and she lived in Holly. We had a blast. We also played cards with Marie, Brenda, and my husband Lewis, we always said he was like one of the girls. Hey! We have so many good memories. She will never be forgotten. I love you Lynn you were the sister I never had. ❤️ I could go on forever talking about the wonderful friend I have. You are so missed.
