“ One of my fondest memories of Grandma Buckingham was that she always had a smile on her face. She never judged, but instead she understood and her wisdom was a very welcome gift. Her love for her children/grandchildren could be seen in her eyes when she spoke of them and she gave of herself willingly to help anyone needing her. Her hobby and love of painting with oils on canvas was one of my earliest memories. I can remember loving to just sit in her home studio as a child and smell the odor of linseed oil which she used to clean her artist brushes.

Heaven has truly received a very special angel when God took Grandma B home to sit at his side. Thank you Grandma, for the love throughout the years and your never-ending firey spirit that will live on in the hearts of Andi and Melissa. You will be missed sadly but remembered fondly by all of us who had the privilege to know and love you.

Rest in Peace Grandma....and don't forget to give Blake hugs and kisses from all of us that he left behind too early. Then please feel free to bend him over and give him a good swift kick in the seat of his pants....

Thoughts, prayers and hugs to the family..... Marlena

“ Meeting Mrs. Buckingham at Melissa and Emmett's wedding was a treat. Her spirit and love were evident as she traveled so far in her 92nd year to stand in the sand on the shore at Lake Tahoe, witnessing the marriage of her granddaughter and blessing it with her presence. I felt fortunate to have talked with her for an hour or so during that trip. Her wisdom and strength impressed me then and now. My heartfelt sympathy to Melissa and all the family.... you have lost a very special lady. -Kathy Nolan

“ *I have known Margaret as my Mother-in-law, as a Grandmother to my daughter, and as a friend. She has always shown, by example, how to live life well and with class. I will miss her so.*
