“ *I am severely saddened by the loss of my Cousin Margaret. I remember her as a gentle and talented women. I don't think there was a craft she could not do. I remember sitting around the table at Grandma and Grandpas' farm after Thanksgiving dinner talking and working on a craft. I will always remember her laugh and smile. Garland, Leslie and Veronica I am sorry about your loss. Patty and Ruthie my heart goes out do you and your families in this time of sorrow.*

Hi Marg, We will miss you so much. I remember when we were growing up in Wixom. I remember the camping trips we took each summer. Our favorite spot was Otesego Lake. I remember how you and I would ride our bikes all over the place. You are now free of that body that can't do those thing anymore. Bless you in heaven. Love Ruth

Thank you Margaret for all you gave to those you met. You were glad to help my granddaughter with her speech about polio, show me how to make glass beads and teach all of us in the lapidary club how to weave jewelry with seed beads. You were a generous and caring person and I will miss you.
