“ *So sad to hear about Peg 💔. My first 8 years were spent living down the hill from the Thorsby family and Grandma Leah. I was the pesky little neighbor girl that was always coming over. I remember crafts with Leah, Peg and Kay. I remember the primrose flowers on her flower beds next to the house. They always came over on my birthday for doll cake and ice cream. Gene on the snowmobile and all the neighborhood kids building snow forts. The best memories from my childhood are from Rose Center. Everytime I would see Peg it was with a hug and kiss. My life was better because of the people that lived in Rose Center in the 60s. I believe those people were that village that a child needs to be raised by. I treasure all my memories and wish there were more people like Peg out there, that is what all of us need more now than ever. She was one of the kindest, funniest and sweetest ladies I have ever known. She will be forever in my heart. Kay and Gene I know you know what a wonderful mom you have. She will always be with us. My thoughts and prayers are with you. Love you.*

“ *Kaye and Gene, I'm very sorry to hear of your moms passing. I have many fond memories of times spent with her and my Grandma Kincaid, from the Swiss Steak dinners in the basement of the township hall, Vacation Bible School and much much more. All the many times she played the organ at church. She's creating a beautiful sound in heaven now.*
