“ I am just now hearing of the passing of Margo.,.
I have been a neighbor of Margo and Dave's since 2018.
Margo and I became friends and I helped her by running errands
and picking up items for her.
Margo was a wonderful woman.
I feel badly that I hadn't reached out recently, but I had some health
issues of my own including a recent surgery.
She is with Dave now and I know her heart is at rest.
My heart goes out to the family. She will be dearly missed 😞
