“ I will miss Marion! She made it possible for me to go to college in 1958. I had emigrated from Europe in 1957. After we graduated, Marion came into the store where I was a cashier. She asked me if I am going to college. I had little money and no car, plus it was summer and I had not registered at college. She told me I could join her ride pool to Flint Junior College for a dollar per week!. She even picked me up and took me to Flint to get tested and signed up for the fall! This would never have happened without Marion's kindness! My deepest sympathy to the family!!! Lore Zepp Felch

“ My old time friend. We spent lots of wonderful time hunting and fishing with our Dads. We we're are Dads boys when they could not find any of their buddies to hang with them. we even double date, Marion had me go with her boyfriend and she went with someone else.
