“ When I was working for the Village, I was planting flowers at Crapo Park, across Martha Street from the Bullock residence. I heard a couple gentlemen shouting. I noticed Mark Bullock and John Rodenbo drinking a beer on Mark’s front porch. It sounded important, so I walked over, and they said “why don’t you go take a break and come back in about 15 minutes?” Well, it was break time anyway, so I didn’t question them, even though I usually would, those two. I came back and they were gone. So I kneeled down, and the first trowel full of dirt popped up two brewskis!!!!

“ I was shocked and and saddened to here about Mark’s passing. I always enjoyed his friendship and humor. His was one of those many cherished memories I enjoyed through years experiencing through Little League. What a great guy and soul. Many thoughts are with his family. -Norm Martin
